

“To provide and sustain decent social and affordable housing opportunities promoting stability and supporting social mobility.”

Architect & Civil Engineer

The Housing Authority is currently seeking to recruit motivated persons to fill vacancies in the position above on an indefinite contract.

Applicants must be able to work independently, collaboratively and work in a fast-paced environment. It will be necessary to demonstrate an ability to prioritize workloads and multi-task effectively. This position will appeal to individuals with a strong commitment to teamwork and cooperation and ability to interact with all levels within the Authority.

The Architect shall form part of a team dedicated to the implementation of continuous works or projects being carried out by the Housing Authority.

Applicants must be:

- **Warranted Architect & Civil Engineer. Experience will be considered as an asset.**

Proficiency in both Maltese and English language are required.

An Interviewing Board will be set up to decide which application merits approval.

Interested candidates are invited to submit a letter of application including a detailed CV to the Human Resources Section via email on vacancies.ha@ha.gov.mt.
